

Rent the Matterhorn for workshops and meetings

Our conference room “Matterhorn” has the perfect environment to give your event a professional and dynamic touch. This is the ideal setting for product launches, presentations, training events, pitches and talks.

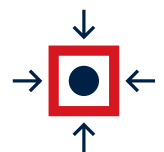

Location with lots of options

The conference room with its calm and professional atmosphere is equipped with the latest technology, free internet and video conference options. The “Matterhorn” can accommodate up to 25 people and seating can be arranged to meet your individual requirements.

The central location in the Shoppi Tivoli Spreitenbach, which is 8 km west of Zurich, is easily accessible for your partners. Free parking is available.

We’ll be happy to assist you in making your ideas a reality, allowing you to focus all your attention on the event at hand.

Services in the "Matterhorn"

You can also book individual services including the provision of catering or drinks. We'll be happy to arrange this for you upon request.

Don't hesitate to ask if you also need help organizing invitations or providing handouts. Contact us at any time for a package tailored to your specific needs.
